DESIGN BY CHARLOTTE FALCK.  
EXCLUSIVE COLLABORATION SINCE 2007.

## THE CANDLESTICK SVENLJUNGA

Over 200 years ago a tradition of tanning was formed based on local cattle markets held in Svenljunga, Sweden. Skandilock AB, founded in Svenljunga in the 1930s, is today one of Europe's leading producers of designer sheep skin products with high ethical standards.

When designing a candlestick decorate in genuine sheep skin, it was perfectly natural for us to collaborate with Skandilock. Designer Charlotte Falck was inspired by the history and traditions of the village of Svenljunga. The result is a candlestick combining classic expression with modern design.

## OUTDOOR LIGHTING

lys upp tillvaron med våra slingor! I vår serie Outdoor lighting har vi samlat både slingor med tillbehör samt lampor som passar perfekt för att skapa feststämning eller julmys. I vårt stora sortiment finns opala, klara eller färgade lampor – i glas eller okrossbara som har ett hölje av polycarbonat.

In our Outdoor lighting series we have assembled both light chains with accessories and bulbs that are perfect for creating party or Christmas atmosphere. The range includes lamps with glass or unbreakable polycarbonate body – choose between opaque, clear or coloured ones.

In unserer Outdoor lighting Serie haben wir Lichterketten mit Zubehör und Leuchtmitteln für Party und Weihnachten kombiniert. Sie enthält Leuchtmittel mit Glas oder unzerbrechlichem Polycarbonat. Wählen Sie zwischen, opalen, klaren oder farbigen Abdeckungen.

**GB** System Decor is our basic system, easy to use and suitable also indoors. The slim cables are easy to conceal. The user only has to think about the maximum number of bulbs and with a limited assortment, it is easy to carry the full range in the shops. For easy to use slender decorations, choose System Decor.

**D** System Decor ist unser Basissystem. Es ist benutzerfreundlich und auch für Innen angemessen. Die dünnen Kabel sind einfach zu verstecken. Der Benutzer muss nur an die Gesamtanzahl der Brennstellen denken. Durch ein gezielt begrenztes Sortiment ist es den Geschäften möglich, das volle Spektrum ohne großen Aufwand anzubieten. # CHRISTMAS TREES

Explore our large selection of trees with and without lighting.

All trees without lighting can be outfitted with one of our many light-chains - for example, our Golden Warm White 594-12 which is featured on our Vidaby tree in this picture.

We also have a large selection of smaller decorative trees, wreaths, and garlands.

See also our various tree-stands, tree-baskets, tree-rugs, top stars, and Christmas tree lights.
